February

and March are birthday months for me. My son Timmy birthday is February 16, my son Joey birthday is February 26<sup>th</sup>, my daughter Jayme's birthday is March 13<sup>th</sup> and my fiancée Terry birthday is March 1<sup>st</sup>. I need to make a little extra money this month so I can celebrate with all of them, so I hoping you all can help me out by purchasing some items off this month's flyer.

We have the Makita cordless tool kits, Arrow staple guns and staples, Greatneck chisels, Jorgensen bar clamps, Freud and AEG saw blades and Milwaukee sawzall blades, and more on all promotion for both the month of February and March.

We also have on this month's flyer Roxul Comfort Batt stone wool insulation. As always let us quote on your tool, fastener, and supply needs.

I keep hearing from customers that their phones are ringing and business is picking up a little. I hope this continues and that we all have a successful year in 2012.
